

Financing for S-Grip Lowerator with Ionized Air Rinser

Get financing for the S-Grip Lowerator from Palmer Beverage System's financing partner, Dimension Funding.

Turn the entire equipment purchase cost into one monthly payment for a term of up to 60 months.

The finger style gripper lowerator transports cans from the depalletizer and lowers them to the filler deck height via an "S" configuration. Two versions are available for optional can inversion if the cans need to be rinsed or date coded prior to filling. The width between the gripper chains is easily adjusted to accommodate all your can size needs.
